

**St. Rita's Sports Medicine Team of the Week  
Nomination Form**

Sponsored by St. Rita's Sports Medicine and  
West Central Ohio Orthopedics and Sports Medicine

Purpose: This program was created to recognize teams of student athletes that work together to achieve common goals and improve the lives of those in their school & community, just as our team of professionals does to provide sports medicine services to the region.

Eligibility: Any girl's or boy's high school sports team recognized by the Ohio High School Athletic Association may be nominated. A nomination is considered complete when the online or paper version of the form is received with all required information, including a brief summary of why the team was nominated. The examples used must have occurred in the current sports season, although comparison to previous seasons would be appropriate. Anyone may nominate a team except persons or family members of those directly employed in the St. Rita's Sports Medicine program or by West Central Ohio Orthopedics and Sports Medicine. Nominations will be accepted from August 2003 through May 2004, with the first team selected to be announced in September 2003.

Date: \_\_\_\_\_

Name of Nominator: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Relationship to Team (choose one):

- |                            |                           |                          |
